Be part of the incredible International Conference Youth Forum @SIF2022

23-24 November
Cagliari, Sardinia
hybrid event

online & onsite

Targeted audience for this call for projects/ studies:

- enthusiastic students in the last year of bachelor degree, master degree, or PhD
- early stage researchers
- young academic assistants / lecturers

Are you...

- involved in projects, already implemented or in a trial phase?
- working in an empirical research, case study(ies) willing to be presented in front of interested stakeholders?
- interested to be part of an international research team and develop your career?

*In 2021 more than
800 participants joined
the SIF21 Conference
and 7 youth had the
chance to connect with
decision-takers, present
their projects and
get support.*

... THIS is the place to be!
